Tuesday July 17th 2018: Leading provider of vertically integrated recruitment and building services The GO2 People Limited (ASX:GO2) ("The GO2 People" or "the Company") is pleased to announce that it, and its subsidiary GO2 Recruitment Pty Ltd ("GO2R") have been issued labour hire licenses to trade as approved labour hire service providers in the State of Queensland.

The licenses were issued by the Queensland Government's Office of Industrial Relations in line with with the *Labour Hire Licensing Act 2017* ("the Act") which commenced on 16 April 2018. The Act established a mandatory licensing scheme to protect labour workers and support responsible labour hire providers.

All labour hire providers operating in Queensland need to be licensed under the scheme. This includes labour hire providers based interstate or overseas who supply workers in Queensland. Licence holders are required to meet certain standards, including being a fit and proper person to supply labour, being financially viable and complying with relevant laws.

Users of labour hire must only engage licensed providers. The scheme helps users of labour hire and workers find a licensed labour hire provider through a register. There are strong penalties for operating without a licence and for using an unlicensed provider.

The Company believes the licenses will further strengthen its position as a trusted labour hire service provider in the Queensland market. It also reiterates the Company's commitment to industry best practice, quality assurance and compliance

Executive General Manager Recruitment, Ross Lovell: "As a company that adheres to National and International quality assurance and safety standards, GO2 welcomes the Labour Hire Licensing Act. It will ensure only the very best service providers are allowed to operate in Queensland and will drive improvement in the industry as a whole. We feel the licenses will further enhance GO2's reputation as a market leader in the provision of labour hire services."
