

The GO2 People Strengthens Board with Independent Non-Executive Director Appointment

Highlights

- The GO2 People has further strengthened its Board with a new appointment
- Andries “Dickie” Dique has been appointed as an Independent Non-Executive Director
- Mr Dique has 25 years’ experience in senior executive and management positions in the construction sector
- Mr Dique is a former COO of Decmil Group Ltd (ASX:DCG) and Director of Pindan Contracting Ltd, contributing to significant periods of growth at both companies

April 4, 2018: Leading provider of vertically integrated recruitment and building services **The GO2 People Limited (ASX:GO2)** ("The GO2 People" or "the Company") is pleased to announce that it has further bolstered its Board with the appointment of an Independent Non-Executive Director.

Andries “Dickie” Dique has 25 years’ experience in senior executive and management roles in construction businesses and is a respected leader in the Western Australian construction industry. A registered builder in a number of states in Australia, Mr Dique’s experience covers the commercial, civil, residential, mining and modular sectors.

Mr Dique’s most recent operational role was as a Director at Pindan Contracting (“Pindan”). Prior to that, Mr Dique was General Manager and then Chief Operating Officer at Decmil Group Limited (ASX:DCG). Mr Dique was a key driver to significant periods of growth during his tenure at both Decmil and Pindan.

The GO2 People’s Company Chair, Darren Cooper said: “The appointment of Mr Dique to the GO2 Board is another example of the quality of personnel we have attracted post-listing. Mr Dique is a high-level operator with an outstanding track record in the construction industry. His previous experience is heavily aligned to our business model, and his skill set will compliment that of the existing Board members. We’re excited about the future.”

Mr Dique commented: “The GO2 People’s model of combining a labour hire division that provides steady revenue with a construction division that has unique modular construction capabilities, is something that caught my eye. Further to this, the management group is a competent and enthusiastic team, that demonstrates sincere maturity in fulfilling their responsibilities, and results in a business that I see having huge potential for sustainable growth in the coming years.”
